

Affinity Group Leader

Summary

The College of Wooster supports several affinity groups for alumni. Alumni are encouraged to participate in affinity groups to connect with fellow alumni, engage with the College, and connect with current students. Affinity groups fall into one of three categories, based on the emphasis of the group – identity-based groups (ex. Latinx Alumni Association), career-based groups (ex. Legal Alumni of Wooster), or interest-based groups (ex. The W Association). Affinity Group Leaders drive the goals of the group and support the mission of the College.
